

Refund Policy

Effective Date: 17 August 2026

1. Overview

This policy explains how customers may request refunds for eligible transactions. Refund requests are reviewed based on the transaction status, payment method, and reason provided.

2. Eligible Refunds

A refund may be considered when a transaction was duplicated, incorrectly charged, cancelled before fulfillment, or affected by a verified system/payment error.

3. Non-Eligible Refunds

Refunds may be rejected for completed services, unauthorized requests without supporting information, or requests submitted outside the applicable refund period.

4. Processing Time

Approved refunds are normally processed within 5–10 business days. The time required for the funds to appear may depend on the customer's bank or payment provider.

5. Refund Request Information

Required Information	Example
Transaction ID	TXN-20260817-001
Customer Name	John Tan
Reason	Duplicate payment
Supporting Evidence	Payment receipt / screenshot

6. Contact

Customers should contact the support team with the transaction ID and relevant evidence when submitting a refund request.
